

## ***ARCADE CREEK WATERSHED GROUP***

### **Restoration and Del Paso Wetland Project Public Meeting**

#### **Mark Your Calendars...**

Please join the Arcade Creek Watershed Group at a public meeting to discuss restoring of the Arcade Creek Watershed, Del Paso Wetland Project, and steps you can take to become involved in the process!

**What:** Arcade Creek Watershed Group Public Meeting  
**Date:** May 21, 2007  
**Time:** 6:00 p.m. – 8:00 p.m.  
**Place:** Mira Loma High School, Music Room  
4000 Edison Ave., Sacramento, CA 95821

*Park in the lot on the east side of the school and follow the signs to the Music Room located in the circular building in the center of the campus.*

#### **Project Background**

The Arcade Creek Watershed Group is composed of local residents; environmental, recreational, and other community groups; and representatives from the cities of Sacramento and Citrus Heights and the county of Sacramento. The mission of the Arcade Creek Watershed Group is to improve water quality, reduce flood damage, enhance habitat, increase recreational opportunities, and encourage local participation in watershed protection efforts.

To accomplish their mission, the Arcade Creek Watershed Group is working with government agencies to develop a comprehensive Stream Corridor Plan that will include improvement projects, increased community education, proactive planning, and ongoing stewardship of Arcade Creek. The CALFED Bay-Delta Watershed Program in conjunction with the California State Resources Control Board provides funding for these efforts. Your help is needed to achieve the Arcade Creek Watershed Group's mission today!

#### **Your Attendance Is Welcomed**

This meeting will allow residents, stakeholders, and interested parties to learn more about current activities to support Arcade Creek Watershed and the Del Paso Wetland Project and to provide input on these important efforts.

#### **Please Join Us!**

Please contact Danielle Wilson, Coordinator, at (916) 737-3000, ext. 3195 or at [dwilson@jsanet.com](mailto:dwilson@jsanet.com) for more information on this meeting. Accommodations will gladly be made for persons with disabilities or who require translation services.
